

Why Choose Transit Coverage?

Moving can be a stressful experience for our customers. With all of the "To Do's" – selling, closing, forwarding addresses, packing, notifying the phone companies, cable, Internet, Electric, Gas and Oil are all time consuming and often can seem overwhelming.

In an effort to ensure you have a safe and professional move, we need to review your options so that you have the coverage required and there are no surprises.

Available options:

Basic Transit Coverage: This coverage is based on the weight of each individual object moved by Booska. If an item is damaged, the weight of the article is 10 pounds. The maximum payment to you for this item would be \$6.00 despite the value of the item. This coverage is provided to you at no cost and is based on \$.60 per pound. Refer to the bill of lading for terms and conditions.

Full Replacement Coverage: As an added value to our customers, Booska offers full replacement transit coverage. This coverage, which is purchased prior to the movers starting your move, can be purchased in various increments and with or without deductibles. In the event an article is damaged, Booska utilizes repair specialists to perform repairs on damaged articles. Refer to the bill of lading for terms and conditions. For Interstate customers, the minimum charge is \$6.00 per pound.

Decision: The type of Transit coverage you select is solely up to you. The purpose of this brochure is to ensure Booska has outlined the options that will enable you to make a decision. Please complete the form below and give to your driver.
